

321I.22 Manufacturer, distributor, or dealer — special registration.

1. A manufacturer, distributor, or dealer owning an all-terrain vehicle required to be registered under this chapter may operate the all-terrain vehicle for purposes of transporting, testing, demonstrating, or selling it without the all-terrain vehicle being registered, except that a special identification number issued to the owner as provided in this chapter shall be displayed on the all-terrain vehicle. The special identification number shall not be used on an all-terrain vehicle offered for hire or for any work or service performed by a manufacturer, distributor, or dealer.

2. Every manufacturer, distributor, or dealer shall register with the department by making application to the commission, upon forms prescribed by the commission, for a special registration certificate containing a general identification number and for one or more duplicate special registration certificates. The applicant shall pay a registration fee of fifteen dollars and submit reasonable proof of the applicant's status as a bona fide manufacturer, distributor, or dealer as may be required by the commission.

3. The commission, upon granting an application, shall issue to the applicant a special registration certificate containing the applicant's name and address, the general identification number assigned to the applicant, the word "manufacturer", "dealer", or "distributor", and other information the commission prescribes. The manufacturer, distributor, or dealer shall have the assigned number printed upon or attached to a removable sign or signs which may be temporarily but firmly mounted or attached to the all-terrain vehicle being used. The display shall meet the requirements of this chapter and the rules of the commission.

4. The commission shall also issue duplicate special registration certificates which shall have displayed thereon the general identification number assigned to the applicant. Each duplicate registration certificate so issued shall contain a number or symbol identifying it from every other duplicate special registration certificate bearing the same general identification number. The fee for each additional duplicate special registration certificate shall be two dollars.

5. Each special registration certificate issued hereunder shall expire on December 31 of each year, and a new special registration certificate for the ensuing twelve months may be obtained upon application to the commission and payment of the fee provided by law.

6. If a manufacturer, distributor, or dealer has an established place of business in more than one location, the manufacturer, distributor, or dealer shall secure a separate and distinct special registration certificate and general identification number for each place of business.

7. A dealer shall make application and pay all registration and title fees if applicable on behalf of the purchaser of an all-terrain vehicle. If the registration has expired while in the dealer's possession, the purchaser may renew the registration for the same fee and writing fee as if the purchaser is securing the original registration.

8. Nothing in this section shall prohibit a dealer from obtaining a new registration and transfer of registration in the same manner as other purchasers.

9. The commission may adopt rules consistent with this chapter establishing minimum requirements for dealers. In adopting such rules, the commission shall consider the need to protect persons, property, and the environment and to promote uniformity of practices relating to the sale and use of all-terrain vehicles. The commission may also adopt rules providing for the suspension or revocation of a dealer's special registration certificate issued pursuant to this section.
